Low as

2-speed 10-pound Washer $209.95

Pampers *ALL* your washables, even your filmiest sheers you once trusted only to hand-washing. And wash and wearables finish clean and wrinkle free. They're washed in warm water (not in stain-setting cold), then gradually cooled, followed by a cold-water rinse and gentle spin. So thrifty on water and detergent too! You can pre-set the wash-rinse level depending on the size of the load. Chromed built-in lint filter. White-enamel cabinet.

Satin-finish chrome console. Washbasket, cabinet top and lid are gleaming white porcelain. Safety switch stops spin action if lid is raised. Exclusive deep-dirt scrubber. Off-balance switch. Roto-swirl agitator. 1/3-HP motor for 110-120-volt, 60-cycle AC. UL listed. 29x25½x36 in. high to worktop.

26 N M61471W—Without Suds-Saver. Shpg. wt. 263 lbs. $209.95

26 N M61571W—With Suds-Saver. Shpg. wt. 268 lbs. 229.95

Electric

Matching 10-pound Dryer $169.95

As easy to set as the washer, and as easy on your clothes. Put them in rain-soaked or barely damp, they're automatically dried just right. Never "baked" dry or left underdried. As for your wash and wearables, controlled heat "relaxes" the synthetic fibers, then tumbles out wrinkles. Ten minutes of cool air and they're ready to wear. Want to add a piece or take one out? Just open the door . . drying stops, and an interior light floodlights the drum. For freshening stored clothes a cool air setting blows mustiness away while the "sun-fresh" lamp sweetens and freshens the fabric. Top-mounted lint trap. White porcelain top; white-enamel cabinet.

26 N M61870W—Electric. 5600 watts. UL listed. Wt. 192 lbs. $169.95

26 N M61770W—Gas. Automatic electric ignition. 37,000 BTU. A.G.A. approved. *State natural or mixed gas*. Shpg. wt. 204 lbs. $209.95

Thousands of gift ideas in this book and in our big Fall Catalog

How to order

Shop through this catalog now. List all the things you want on one of our order blanks. If you don't have a Sears order blank handy any plain paper will do.

Please be sure to print or write plainly your full name and complete address, including rural route and box number if you live on a rural route. Then give us the catalog number, quantity, name of each item, color, size, price, shipping weight, and any special information or measurements asked for in the description of the item you are ordering. Add the shipping weights of items you are ordering, and change ounces to full pounds (16 ounces to the pound).

Refer to parcel post rate table for amount to include in your remittance for postage, as postage must be paid on parcel post packages before we can ship your merchandise. *If you send too much, every cent extra will be promptly returned to you.*

The best ways for you to send money are by post office or express money order, or by bank draft or check. Your mail carrier will be glad to purchase a post office money order for you if you live on a rural route; or go to your post office or express agent.

Sears Export Service

Sears offers a complete export service to over 100 countries throughout the world. If any of your friends or relatives in a foreign country is interested in buying from Sears catalogs write Sears Personal Service Department at the following mail order houses: *Sears at Philadelphia, Pa.* for Greenland, Central America (except Mexico), Caribbean Islands, South America, Europe, Africa; *Sears at Dallas, Texas* for Mexico; *Sears at Los Angeles, Calif.* for Central Pacific Islands, Philippines, China, Japan, Korea, Australia, New Zealand.

How to figure Parcel Post charges

Packages weighing up to 70 pounds and measuring not more than 100 inches in combined length and girth can be sent by Parcel Post in all parcel post zones, except when mailed at a first class post office and addressed for city delivery to another first class post office.

Parcel Post weight limits on packages mailed between first class post offices and addressed for city delivery, are 40 pounds to the Local, 1st and 2nd Zones; and 20 pounds to Zones 3 to 8. The size limit is 72 inches length and girth combined.

Figure postage on total weight of order. The shipping weight of each article is given in the catalog description. When you write your order add the pounds and ounces and change ounces into full pounds (16 ounces to a pound). Then show the total weight in pounds. When figuring postage on packages weighing more than one pound, the post office counts a fraction of a pound as a full pound and charges postage accordingly. (See order blank for instructions on credit orders.)

If you don't know your parcel post zone, refer to table at right or ask your mail carrier or postmaster.

Air parcel post is available on any package that can be shipped by regular parcel post, at the following rates:

Important about prices

If the price of any item in this catalog is reduced in another current catalog, we will fill your order at the lower price and return every penny of the difference to you. Regardless of which Sears catalog you order from, you always get the benefit of the lowest current catalog prices.

Prices in this catalog apply only to orders placed by mail, telephone, telegraph or at the Catalog Sales Department in a Sears Retail Store, at a Sears Catalog Sales Office, or in one of Sears Affiliated Stores.

Should the Federal, State or Local Governments increase or impose additional taxes after this book goes to press, we reserve the right to add such taxes to the prices shown. On the other hand, if any existing taxes are reduced or terminated while this catalog is in effect, we shall adjust our prices accordingly.

C.O.D. mail orders

Unless there is a real need for C.O.D. service, we urge you to enclose money order or check with your mail order, thus avoiding the extra expense of shipping C.O.D. which would cause you to lose part of the savings in buying by mail from Sears. On parcel post C.O.D. shipments, in addition to the price of the merchandise and parcel post charges, you pay a C.O.D. collection fee which is an extra charge the post office makes for handling C.O.D. shipments. The post office also charges you a money order fee for forwarding payment to us.

We do not ship C.O.D. orders:—for merchandise that is cut, engraved, printed, or made to special order; for merchandise that is shipped direct from one of our factories; for merchandise to be shipped to foreign countries; for merchandise to anyone other than the person sending us the order; for seeds and perishable goods.

SEARS, ROEBUCK AND CO.

IT'S AS EASY AS A-B-C

to use Sears Easy Payment Plan

A *IT'S EASY TO OPEN AN ACCOUNT*

Simply answer the questions on the back of the order blank, sign it, and mail it to Sears. Or, if you prefer, inquire at your nearest Sears Catalog Sales Office or Retail Catalog Sales Department. Just be sure your order totals $20 or more. For down payment, see the plans below.

Or, if you wish to open a Sears Revolving Charge Account, see the special application form and terms on the following pages.

B *IT'S EASY TO FIND PLANS TO FIT YOUR NEEDS*

1 . . . Sears Regular Easy Terms

PAY ONLY 10% DOWN on any purchase of $20 or more. You have up to 18 months to pay the balance. See table at right for monthly payments. Sears Regular Easy Terms apply to anything we sell.

2 . . . New—Sears Revolving Charge Account

See next page

New this year for Sears catalog customers . . . can be used as regular charge account if paid in 30 days, or you have the option to pay in monthly payments with a small service charge. *No down payment necessary.*

3 . . . Special Terms for Appliances, other items

See Sears Big Fall Catalog

PAY ONLY $5 DOWN on orders of $50 to $200. On orders over $200, pay only $10 down. You have up to 24 months to pay the balance on items such as cabinet sinks, washing machines, refrigerators, stoves, milkers, hearing aids, power tools, photo equipment, diamonds.

4 . . . Special Terms for Home Furnishings

See Sears Big Fall Catalog

On furniture and mattresses, floor coverings, curtains, draperies, venetian blinds and awnings you *pay only $5 down* on orders from $50 to $200. On orders over $200 you pay only $10 down.

5 . . . Special Terms for Home Modernization

See Sears Big Fall Catalog

NO MONEY DOWN—take up to 36 months to pay on orders of $100 or more on eligible merchandise for residential or farm improvements. With Sears Modernizing Credit Plan you can remodel your bathroom or kitchen, build a recreation room, or install an efficient heating system and enjoy the extra conveniences as you pay for them.

C *IT'S EASY TO "ADD-ON" TO YOUR ACCOUNT . . NO MONEY DOWN*

There's no down payment and in many instances no increases in monthly payments when you "add-on" orders to your open account. "Add-on" orders must total $5 or more (no minimum on Sears Revolving Charge Accounts). Just write on your order "Add to my account." Fill in your Account number, sign the agreement on the back of the order blank, and mail it to Sears. Or phone or visit your Catalog Sales Office or Retail Catalog Sales Department and give your Account number.

On orders shipped by Parcel Post, freight or express, shipping charges are added to your Sears Revolving Charge or Easy Payment Account. No need to figure transportation.

IF YOUR ORDER consists of merchandise from more than one of the four plans outlined at left requiring down payments, figure the down payment on each one separately and add them together. By sending a larger payment than called for, you naturally reduce the monthly payments.

This is the identification you receive as a Sears Revolving Charge customer—a card like this, easily carried in wallet or purse, identifies you and your account number to any Sears unit.

HERE'S HOW IT WORKS...

In any Sears store, just present your identification card and say "Charge It." If you buy by mail, just give your account number. Your identification will be recognized in any Sears outlet nationwide. It's just as if you had a regular charge at Sears if you pay within thirty days of the billing date; it's similar to an easy payment account if you wish to spread your payments over many months. Your monthly payment will vary, depending on your total balance ... it will go up or down depending on how much you have been buying. (See the schedule of monthly payments on the next page.) Convenient, isn't it?

YOU GET A STATEMENT EACH MONTH...

It's easy to know how much you've spent—how much to pay—and when, because Sears will mail you a statement every month telling you all these things. Convenient for your own records too ... gives you a written record of everything you buy!

YOU CAN USE IT TO SHOP ANY WAY...

Your identification card is your passport to easy buying—any way from Sears—by telephone, by mail, at Sears Catalog Sales Offices, at Sears Retail Catalog Sales Departments, or over the counter in any Sears Retail Store. And not only any way—but any place in the entire United States, wherever Sears has a store.

OF COURSE, YOU CAN USE SEARS OTHER CREDIT PLANS AT THE SAME TIME...

This Revolving Charge Plan is particularly convenient for the purchase of clothing and other everyday needs. When you want more time for payments (particularly on major appliances, home furnishings or home modernization items), you may prefer to use another of Sears convenient Credit Plans at the same time as your Revolving Charge Account. See page 294 in blue section of this catalog for our other convenient plans, or visit any Sears outlet for information.

IT'S EASY TO START YOUR ACCOUNT... HERE'S HOW...

Simply use the application and agreement on the other side of this sheet—fill each one in and send it to Sears. Or you may open an account by telephone—just by calling the most convenient Sears unit. (For number to call see preceding blue pages.) Tell our phone clerk you want to open an SRC account, she will take your application and your order at the same time, if you wish. Or visit any Sears store—they will gladly answer any questions you may have and fill out your application for you.
